978-B North Hwy. 67  
Cedar Hill, TX 75104

Dear Corky:

On April 26<sup>th</sup>, Anahuac Assembly celebrated its Grand Re-opening service eight months after Hurricane Ike destroyed our building. It was a wonderful occasion for us, and we would not have made it without the partnership of Allstar Restoration. Mike and his team walked us through every step of the process and even at the beginning was an advocate for us with our insurance adjuster. Allstar has turned a very difficult situation into a good experience as we walked away from the storm with a beautiful new building.

So this is a thank-you note—for all of your hard work, for putting up with occasional errors due to “growing pains,” and just for helping to put Anahuac Assembly of God back on its feet. The future looks bright, and we want to acknowledge your contribution to our work for the Lord here in Anahuac. As we say in Texas, “Preciate it!”

Sincerely,

Rev. David Watts  
Senior Pastor
