To Whom It may Concern:

In September of 2008 hurricane Ike made a visit to Houston Texas. The storm inflicted more than \$400,000.00 in damages to Christian Temple Church. All Star Restoration was on the scene promptly and provided top shelf services to our church family. I recommend them to you as honest, hard working people who understand the culture of a church as well as providing business services with integrity.

A handwritten signature in black ink, appearing to read 'Pastor Don Nordin'.
