Letter of Recommendation

In 2009 All Star Restoration was a major sub-contractor in the construction of our state-of-the-art children's facility. They installed the roof, flooring and tile. Much of the work was very intricate and unusual, but they were extremely easy to work with, performed the work to our satisfaction, and have provided quality follow-up. I highly recommend them for any job you might have related to these areas.

Sincerely,

A handwritten signature in black ink, appearing to read "Allan McBrayer", written over a horizontal line.
