To Whom It May Concern:

I am pleased to recommend All Star Restoration for repair and restoration projects. They have served our needs well as we have worked to recover from the damage suffered to our church facilities after Hurricane Ike. They have worked with us through our difficulties with the insurance company and have proceeded with our repairs in a timely manner. Their personnel have been cooperative, and they have communicated with us in a manner that shows their understanding of the needs of a congregation in a time of trouble.
