To Whom It May Concern:

Please consider this letter as a reference for All Star Restoration of Cedar Hill, TX. We used them in conjunction with damages from Hurricane Ike in the fall of 2008. This company was referred to us by Gary Benson of Insurance One Agency.

We were most pleased with every aspect of their work. From the first contact to the finished repairs, Mike Berkes and his crews were extremely easy to work with and their care and concern about doing the jobs correctly was apparent. Their patience in receiving payment from us while waiting on insurance funds was greatly appreciated.

If the need arises again to have repairs and/or renovations done, I am willing and hoping to hire them to complete the work for us.

As you can see, I highly recommend this company. Please feel free to contact me with any questions.

In His love,
