

To Whom It May Concern;

Our experience with Allstar Restoration was wonderful. The Allstar Team was confident and reliable and their resources and knowledge of emergencies came in at the right moment. We were able to rely on their wisdom, understanding and insight of a situation beyond our control. With their help and guidance we were able to take a more careful controlled look at our situation and options and make decisions based on sound judgement along with their sound input. Corky and his team went out of their way to make sure we were happy with everything they did.

Allstar has lived up to a reputation of Godly & Biblically based standards of excellence and cooperation. Their's is a constant effort of high integrity & character in all areas. Everyone on their team has a desire to bless the Pastor, the leadership, the local church and, most of all, be right in the sight of God. Their desire is not a financially motivated work but truly a labor of love and of ministry.

While they were with us they gave not just what was contracted but they gave to help the ministry of Southside Assembly of God out of their hearts and commitment to God. They truly became part of the Southside Assembly of God Family. I cannot recommend highly enough Corky and his team.

Sincerely,

Randy Trotter
