

St. Andrew Baptist Church

10021 ENGLISH CIRCLE ROAD • DUNTHORPE, LA 70042

June 12, 2007

It is with great joy and thanks, giving to our Lord who has made possible for the Saint Andrew Baptist Church family, to engage with the All Star Restoration Construction Company, who has made a great difference in our recovery from the devastation of Hurricane Katrina in September 2005.

We have discovered that All Star Construction Company is a family of born again believers in Jesus Christ. And proved to our church family, that they are truly on the mission of Christ, and that is doing good for fellow man in times of need. We found their work ethics to be second to none, as they restored our flood ravaged church building after being 100% damaged by wind and water.

We of St. Andrew give all the glory to God, for leading us to such a company as All Star, and would recommend them to whom ever is seeking construction for their sanctuary and other needs. Finally, we do praise God from whom all blessings flow.

*Rev. Warren V. Cooper, Jr.
Pastor*
